1. RULES ACKNOWLEDGEMENT

It is the responsibility of each captain, crew and angler to obtain a copy, read, understand and abide by the Tournament's rules, including, but not limited to, any special instructions that may be announced during the Captain's Meeting at which at least one representative from each team must be present.

The Captain's Meeting takes place, Wednesday, July 8th, at 7:30pm under the tent at the back of the parking lot at Marina Shores, 2100 Marina Shores Drive, Virginia Beach, VA. Rules are subject to change. Final instructions are given at the Captain's Meeting.

2. PERMITS AND LICENSES

For information concerning the Virginia Citation program, call 757-491-5160 or visit www.mrc.state.va.us.

3. OFFICIAL CLOCK

Official tournament time is continuous GPS time and starts at 7:30am, Thursday, July 9th, 2009.

4. FISHING DATES AND TIMES

Tournament fishing days are Thursday, Friday, and Saturday July 9th, 10th, and 11th. Fishing hours are from 7:30am to 3:00pm on all three days. Each boat and angler may fish the tournament only one day.

No lines or teasers may be in the water before the official start or after the official end of tournament fishing. Any fish hooked and reported to a Committee Boat prior to lines out may be fought until caught or released. Boats may leave from any inlet in Virginia, but must return to either Lynnhaven or Rudee Inlet to weigh fish.

5. LAY DAYS

Teams may fish one of the three available fishing days, Captain's choice. Each boat must turn in a Lay Day form on the days they are not fishing. OTHERWISE THE BOAT IS RECORDED AS FISHING THAT DAY. THERE ARE NO EXCEPTIONS.

Lay Day forms must be signed by a registered member of the team and turned in at the Captain's Meeting or at either of the two official weigh stations by 9:30am of the day being declared as a lay day. Lay Day forms may also be faxed to the weigh station, as long as verbal telephone confirmation is also made. Fax and telephone numbers are given out at the Captain's Meeting.

6. TOURNAMENT COMMUNICATIONS

Tournament Officials and Committee Boats monitor VHF Channel 74.

7. WEATHER AND CANCELLATION POLICY

Weather related decisions are at the sole discretion of each Captain. Participants enter at their own risk and discretion and accept full responsibility for the following: their boat, equipment, crew, anglers and guests. The Tournament Committee does not declare a "weather" day in the event of severe weather conditions.

In the event of a natural disaster that makes fishing impossible, or no eligible fish are weighed, the Tournament will have a drawing from the registered tournament team numbers to award the prize money. The drawing will be held at the banquet at Marina Shores, Saturday, July 11, 2009 at 9:00pm. A team representative must be present to win. If no registered team member is present within three minutes of his or her team's number being drawn, the tournament will keep drawing until a winner is selected. In the event that a drawing is necessary, prize money is split 60%, 30%, 10%.

8. BOUNDARIES

The Virginia Beach Tuna Tournament boundaries are 85 nautical miles from Cape Henry buoy RW "C" (formerly "CBJ"). All fish must be hooked within these boundaries, but may be fought outside of the boundaries once hooked.

9. EQUIPMENT AND ANGLING RULES

IGFA Saltwater Equipment and Angling rules apply, unless stated otherwise in these rules or at the Captain's Meeting. Copies of IGFA rules are available during Registration. This is a trolling tournament; the boats must remain in motion while fishing.

THE FOLLOWING FISHING METHODS ARE NOT ALLOWED: LIVE BAIT, CHUNKING, KITE FISHING, CHUMMING OR THE USE OF GREENSTICKS.

Spreader bars are permitted. Planers are permitted, even with wire line. Boats are permitted to troll ONLY eight rods, however, additional hookless teasers are permitted.

This is a boat tournament. Any crew member may set the hook, but a registered angler must fight the fish unassisted. There is no restriction as to which participants may register as an angler; the captain and mate are both eligible if preregistered at the Captain's Meeting.

10. WEIGHING FISH

All fish must be weighed at one of the Official Virginia Beach Tuna Tournament Weigh Stations: Marina Shores in Lynnhaven Inlet or Fisherman's Wharf in Rudee Inlet. The scales open at 4:00pm and close at 7:30pm on all three days of fishing. Fish are weighed to the tenth of a pound.

Eligible TUNA species are: yellowfin, blue fin, big eye, true long fin, albacore and black fin. Dolphin and wahoo are eligible to score in a separate category not affecting the aggregate tuna weight.

ADDITIONAL RULES:

- This is an aggregate weight format tournament. Scoring is based on the total weight of up to three tunas (any combination of the eligible species).
- Culling fish is prohibited. It is acceptable to practice catch and release in hopes of later catching a larger fish, but disposing of a dead fish to replace it with a larger fish is strictly prohibited.
- Boats are lined up to weigh in the order in which they arrive. If a boat arrives in line before the close of the scales, they are allowed to weigh their fish.

- All fish being weighed must come to the scales on the boat on which they were caught. If your boat is docked at South Side Marina in Rudee Inlet and cannot get to the scales due to height restrictions, contact the Tournament Committee to make provisions for weighing your fish. In this case the fish must remain in the boat and can only be offloaded when tournament officials are present.
- If your boat is docked at C or D dock at Fisherman's Wharf Marina adjacent to the scales and you wish to offload your fish from your slip, a tournament official must be present and the weighmaster must be informed on VHF channel 74 once clearing Rudee Inlet Bridge.
- Each boat may weigh up to three tuna and/or one dolphin and one wahoo.
- Fish must arrive at the dock in edible condition.
- Mutilated fish are not weighed. In this case, "mutilation" is defined as any damage that would impair the fighting ability of the fish.
- If anyone wishes to have a fish reweighed, it must be done while the fish is still hanging.
- At least one team member must remain with the fish for the entire weigh-in process, and turn in weigh-in forms to the Weighmaster before leaving the scales. The Weighmaster and VBTT Officials reserve the right to refuse to weigh any fish that does not meet tournament requirements. DECISIONS MADE BY THE TOURNAMENT COMMITTEE ARE FINAL.

11. TOURNAMENT CASH AWARDS

Cash awards are based on the number of boats entered in the tournament. One hundred percent of the \$400.00 entry fee goes towards cash awards as follows:

- Aggregate Tuna: 1st Place–55%; 2nd Place–25%; 3rd Place–10%
- Top Dolphin–5%; Top Wahoo–5%

If no eligible dolphin is caught, the 5% allocated to that award is added to the Top Wahoo award and vice versa. If no eligible dolphin or wahoo are caught, the 10% allocated to those awards is added to the 1st Place Aggregate Tuna.

12. OPTIONAL CALCUTTAS

THERE ARE FIVE OPTIONAL CALCUTTAS THAT TEAMS MAY CHOOSE TO ENTER, OR NOT, IN ADDITION TO THE BASE ENTRY.

The Calcuttas are incremental, meaning that you must enter Level 1 before you can enter Level 2, and Level 1 & 2 before you can enter Level 3, and Levels 1, 2 & 3 before you can enter Level 4 and Levels 1, 2, 3 & 4 before you can enter Level 5.

Calcutta winners are based on the team(s) with the single heaviest tuna (Level 1) or the heaviest aggregate weight of tuna overall (Levels 2-5) who are also entered in the Calcutta as follows:

- Level 1: \$100.00–Single Heaviest Tuna, Winner Takes All
- Level 2: \$250.00–Heaviest Aggregate Weight, Split 50%, 30%, 20%
- Level 3: \$500.00–Heaviest Aggregate Weight, Split 50%, 30%, 20%
- Level 4: \$1,000.00–Heaviest Aggregate Weight, Split 50%, 30%, 20%
- Level 5: \$2,000.00–Heaviest Aggregate Weight, Split 50%, 30%, 20%

13. BREAKING TIES

Ties between the aggregate weight of tuna are broken by the weight of the heaviest single fish in the group. For example, if Team A weighs three tuna at 60 lbs., 50 lbs. and 40 lbs. their aggregate weight is 150 lbs. If Team B weighs three tuna at 70 lbs., 50 lbs. and 30 lbs. their aggregate weight is also 150 lbs., but Team B would win the tie because their heaviest single fish weighs more than Team A's. If there is still a tie, the second heaviest fish is considered, then the third.

If there is a tie between the weight of single fish in the dolphin or wahoo categories, or in the Level 1 Optional Calcutta, the prize money is split evenly between the teams that are tied.

14. POLYGRAPH EXAMINATION

By virtue of signing the entry form registered Participants agree to submit to a polygraph examination if requested to do so by VBTT Officials. Failure to comply will result in disqualification of that Participant and, at the discretion of VBTT Officials, the Participant's entire team. Disqualified Participants/Teams or Participants/Teams that fail a polygraph examination forfeit any and all entry money, prizes or prize money, and are refused entry to future VBTT tournaments. The decision of the Rules Committee is final. All fish that are weighed may be subjected to a Tory Meter test to test for freshness.

15. PROTESTS

Registered participants may submit a protest against any fish entered. Protests must be submitted in writing to the Tournament Committee by 9:00am on the day following the catch of the disputed fish with the exception of the final fishing day when the protest must be made by 8:00pm. Protests must be accompanied by a \$250 deposit, which will be refunded if the protest is upheld. The Rules Committee, at their discretion, may use a polygraph examination to reach a decision. By virtue of signing the entry form registered Participants agree to the final decision of the Rules Committee.
